Memorandum No. 79
Series of 2021

TO:

SUBJECT: SURVEY ON VACCINATION OF BATSTATEU STUDENTS

Date: October 28, 2021

With the plan for possible reopening of limited face-to-face classes in various programs/disciplines, the Commission on Higher Education (CHED) is encouraging universities to make sure that students and faculty members are vaccinated.

In relation thereto, the University is conducting a survey on vaccination status of our students. However, only 58 % of our students responded on the said survey. Hence, College Dean, Program Chairs and faculty members are hereby directed to require their students to answer the survey until 12:00 NN of November 1, 2021. The survey is available on this link:

To ensure that we can generate an accurate report to be submitted to CHED, please inform our students that those who already responded can still update their responses.

Cooperation and compliance of all concerned is earnestly solicited.

Prof. ROGELIO A. ANTENOR
Vice President for Academic Affairs
